

Blood Work Release Form

Owner/Caretaker Name: _____

Animal Name: _____

Date: _____

I, acting as owner or agent of the pet named above, hereby request and authorize the Humane Society of Charlotte, through whomever veterinarians or assistants they may designate, to perform blood testing on the animal described above **(initial any that apply)**:

PRE-SURGICAL BLOOD PANEL:

A pre-surgical blood panel is required for any pet over 7 years of age. This blood panel helps ensure that your pet's organs are functioning properly and he/she can properly process and eliminate anesthesia. It also helps to reveal any hidden health conditions that could put your pet at greater risk during anesthesia.

- My pet **IS** 7 years or older. I understand that a pre-surgical blood panel will be performed for an additional \$40 and that I will be contacted before my animal's surgery if any abnormalities are found. _____
- My pet **IS NOT** over 7 years old but I request a pre-surgical blood panel for an additional \$40. I understand that I will be contacted before my animal's surgery if any abnormalities are found. _____

FELV/FIV TEST

- I request a FELV/FIV test for my cat. If the test is positive for FELV / FIV / BOTH (circle all that apply), I request that the surgery still be performed and the cat returned to me. _____
- I request a FELV/FIV test for my cat. If the test is positive FELV / FIV / BOTH (circle all that apply), **do not** perform the surgery and return cat to me unaltered. _____
- I request a FELV/FIV test for my cat. If the test is positive FELV / FIV / BOTH (circle all that apply), I request that the Humane Society of Charlotte humanely euthanize the animal while it is under anesthesia. _____

CANINE HEARTWORM TEST

- I request a heartworm test for my dog. If the test is positive, I request that the surgery still be performed and the dog returned to me. _____
- I request a heartworm test for my dog. If the test is positive, do not perform the surgery and return dog to me unaltered. _____
