

TOP 3 REASONS TO SPAY OR NEUTER YOUR CAT

- They make better, friendlier companions. They are less likely to roam, run away, get into fights, or bite.
- They are less likely to get certain kinds of cancers.
- When you prevent unwanted kittens from being born, you help reduce the number of cats that ultimately end up in shelters.

If a male and female cat and their offspring are left to breed on their own, they quickly multiply!
